Effect of Birth Number and Ruling Planet

There are only 9 important planets in our solar system. Similarly, there are only nine numbers by

which all our calculations are made. All the other numbers are mere repetitions only. Each number is

assigned to a planet, by experts in Occultism, Chaldean, Hindu, Egyptian and Hebrew.

The secret of Numerology is the mysterious law of vibrations. Your birth date can be reduced to a

single digit key number. This number represents a planet. You and the planet attached to your number,

will have the same vibrations, which lasts all through your life.

Your Birth Number is 6.

The number 6 symbolizes the planet Venus. As a result, you have an extremely magnetic personality

and can attract people towards you. You are loved and often worshipped, by those who know you well.

You are very firm in your determination to implement your plans. Therefore, you may be deemed

obstinate and unyielding. You become a devoted slave of those you love. Your love is more motherly

than sensual. You become romantic and remain ideal in all matters of your affection. You get attached

to beautiful things and people. Your house will have something extraordinary for your visitors.

Generally, you are fond of rich colours and music.

If you happen to be rich, you will spend a lot for the benefit of art and artists. You love to entertain

friends and ensure a happy atmosphere around. You cannot tolerate or withstand discord or jealousy.

Once you get angry, it is difficult to control your temper. You may fight to death for the sake of the

person you stand for. Therefore, you are loved and will have a larger number of friends than others.

You are indeed fond of persons born under the influence of numbers 3, 6 and 9.

Effect of Birth Number and Name Number

Let us now look at the effect of the 'Birth Number' and 'Name Number' on your character and life.

To achieve the best possible results, these two numbers should ideally be compatible. The general rule

is that all the numbers affecting your life should be in mutual agreement with one another.

In your case, there is reasonable compatibility between your Birth Number and Name Number.

The 'Birth number' of a person is a fixed number, as his date of birth cannot be changed. But it is

possible to change your Name Number by suitably adjusting the way you spell your name. Alternately,

Page - 3

you can adopt a totally new name. So you can adopt a 'Name Number' which is more compatible with your permanent 'Birth Number'. Thus you can hope to achieve better efficiency in your performances.

Such a change will produce very favourable results and set up entirely new vibrations. In turn, your

life will become more enjoyable. This has been experienced by many people.

ASTRO-VISION DigiTell software has the special feature to help identify the appropriate 'Name

number' to improve your effectiveness. You are welcome to view the screen for alternate suggestions.

Since your name starts with the letter R, it has special significance for you

You are very particular that your importance and influence should be felt at all levels. You go out of

the way to advice everyone freely. But you will not follow anyone's advice. However you will learn

from your own experiences. What you probably think is why you should get your knowledge and

practical wisdom second hand.

You are not a self centered person. You take keen interest in the welfare of friends, relatives and the

community at large. You easily understand and make allowances for the short comings of others. It is

your constant effort to lighten the burden of others, close to you.

Your 'Birth Number' is 6 and since the letter 'U' is present in your name, it can be assumed that you

will have good faith in God and in supernatural powers. You may, however, become disturbed by

mundane and spiritual thoughts. You should be able to moderate your passion before it overpowers

you. A God fearing life can give you fair income and security. Both men and women will confide in

you to a great extent and may even trust you with their valuables. Hardships and toil will help you

understand the ways of the world and the inner secrets of life. But you should be on your guard against

blood pressure, caused by tension.

Your 'Birth Number' is 6. You have a magnetic personality. You can influence both men and women

alike and lead them your way. You are a true artist, with a fine sense of beauty. Your initial failures

won't upset you, as you are confident that you will find success in the end. However, it appears that

you don't have enough patience. You help people, with the hope of an appropriate return or reward.

You may contribute to public causes in order to achieve fame. You are always cheerful. You are good

at pleasing and winning people, with good words. However, you are not grateful for the help you

receive from others.

You will never be quarrelsome and have a calm and quiet disposition. You will maintain lofty ideals.

You will be guided by an artistic temperament.

The Effect of Fate Number and Compound Fate Number

In calculating your 'Fate number', the MONTH and YEAR of birth are also considered whereas 'Birth

Number' is calculated from the Date of birth only.

The basic, single fate numbers 1 to 9 represent worldly aspects. This number denotes what you appear

to be, in the eyes of your friends, colleagues and those you deal with closely. But the double or

compound fate numbers represent the hidden influences that play behind the scene. Your destiny or

future can be better understood by analysing such compound numbers. So they are said to denote the

Page - 4

spiritual aspects. Your birth number gives information about the physical and material side of your

life, while the fate number reveals more of occult or spiritual side of your life. The findings based on

your 'Compound Fate Number' are as follows:

Your 'Fate Number' is 1 and your 'Compound Fate Number' is 37. This number has a distinct potency

of its own. Possibilities of good and fortunate friendship with members of the opposite sex, are clearly

seen. It is also good for partnerships in business and life in general. If this number appears in any of

your future planning, it will prove to be fortunate.

Hence, you will become manly and famous. You are extravagant and luxurious by nature.

You will

have lots of opportunities for enjoying secret love affairs. But you will not bring discredit and dishonour to your family, at any rate. You are sure to achieve a high position in life. You can boldly

overcome your obstacles, with determination.

The Effect of Name Number and Compound Name Number

The sages of ancient India, brought forth the theory for the first time, that letters of the alphabet are

related to numerical figures. A theory popularised through the English language by Western Numerologists. Thus each letter of your name spelled in English is assigned numerical value. All these

numbers are added to get your NAME NUMBER. One can predict your personality characteristics on

the basis of your 'Name Number' and its 'Compound Name Number'.

Your 'Name Number' is 3 and your 'Compound Name Number' is 39. So it is possible that you will be

a hard-working man. You may not enjoy all the fruits of your labour. Others will profit more by your toil than you do. Nevertheless your life will never be a failure. You may not be healthy always. You should consult a dermatologist and follow his advice to avoid skin diseases. The number 39 gives you the unique power of thoughtful deductions. Your logical power will be enlarged. You will be able to see and analyse everything in retrospection. Thus you will easily establish mental superiority over your colleagues. That does not necessarily mean much of advancement in the materialistic way. However, this is your own personal choice and philosophy and you will not regret if others sympathize with you. It does not matter to you, whether you are rich or poor. You are happy in your own way.

Married Life

You will be fond of girls, who have your own 'Birth Number'. So when you choose your life partner, do remember this fact. Also girls with 'Birth Numbers' 1, 4 and 9 are good for you. Beware of girls whose 'Birth Numbers' are 2, 7 and 8. They are not recommended as compatible partners for you.

Health

You should guard against heart troubles through diet and exercise. You may be a victim of blood pressure, indigestion, throat ailment, bronchial complaints and even venereal diseases, perhaps if you are not careful. However, you can maintain your health at satisfactory levels by yogic exercises, prescribed by experts. Include pomegranates, apples, almonds, basil leaves and gooseberries in your diet. Be cautious and vigilant during the months of May, October and November. Changes are likely in your health at the ages of 6, 15, 26, 42 and 60.

Profession

You have all the potential to become an eminent artist or writer. You don't seem to have any financial embarrassments. Manufacture of ornaments and fancy articles or their sale can be your preferred activities. Professions, connected with publication, distribution cinema and television will keep you happy. Then the possibilities of success seem to be fairly great.

Remedies

The purpose of the study of DigiTell Numerology report is to analyse and understand how to improve your personal effectiveness in life. The following guidelines will be useful for you.

Favourable Days

Your 'Birth Number' is 6. This is the most significant date for you. Any appropriate series of this number as well as other numbers harmonious with 6 can also be utilised as good dates. The dates 6, 9, 15, 18, 24 and 27 will prove to be good for you. As your 'Birth Number' is 6, the best days of the week for you are Tuesday, Thursday and Friday.

When you fix dates for vital matters, remember to choose these days. Find out the real dates satisfy both the conditions. (ie. good date as well as day of the week). You should give top priority to execute out your most important plans and ideas on these days only.

Harmony of Numbers

The numbers affecting your life are, 'Birth Number', 'Fate Number' and 'Name Number'.

In your case they are **6**, **1** and **3**

Remember that other numbers in harmony with your 'Birth Number' are 5 and 8. Also, the letters U V

W are good for you.

As far as possible all your numbers should have the same vibrations as your "Birth Number", in order

to produce harmonious vibrations. Or else, there may be a clash of numbers affecting your life thereby

resulting in poor performance.

Ideally, your house or vehicle number should vibrate with your favourable number. If the number of

your house or vehicle cannot be changed due to other reasons, you can evolve suitable names for your

house and vehicle, with similar vibrations.

The name of the town, city or country where you stay should also produce the same harmonic

vibration as that of your Birth number. This can be determined by the use of 'DigiTell'.

Compatibility with Others

5 & 8 are the numbers that are in perfect harmony with your 'Birth Number'. But 3 and 9 won't harm

you in any way. However, beware of numbers 1 and 2 which are, in fact, your enemies. You should

have these matching numbers in mind when you enter into business partnership or marriage alliance to

avoid misfortune. Choose your life partner with due consideration of the numerological compatibility

mentioned here.

Favourable Colours

Make sure you dress yourself in colours most favourable for you. Your lucky colours are all shades of

blue, green and red. These colours, have an excellent effect on soothing your nerves. You will also

be able to rest and sleep better in rooms having your own favourable colour shades. should at least

employ the recommended colour in your neck ties, shirts or handkerchiefs.

Music

Number and music show very decided affinities. Listen to the kind of music that stimulates and

energizes you.

Since your 'Birth Number' is 6, you should ideally listen to romantic, and sweet music with rhythm.

Favourable Directions

The abode of Venus, the lord of number 6 is East and South- West. Therefore you should perform

your important activities facing this direction. When you make a journey for something very important,

take a few initial steps towards this direction first. This will no doubt bring you fortune.

Arrange your

office table and discuss matters of importance with this fact in mind.

Prayers and Mental Tuning

Since your 'Birth Number' is 6, It would be good for you to worship Venus, if your religious faith

allows you to do so. Besides, chanting hymns in praise of 'Mahalakshmi' will bring you luck.

The effectiveness of your Birth Number can be further improved by suitably employing your inborn

capabilities. You are dearly bestowed with the power of concentration of your mind. This can be

developed and utilised to any level depending on your determination. You should also grasp the

meaning and symbolism of your 'Birth Number'. You should think and emotionally attempt to merge

with that number and the symbol. In time, you will become part and parcel of your number.

This

aspect of the science is well developed by the ancient Indian culture. Our learned Gurus have

developed mantras and poojas with the repetition of the names of Gods and Goddesses to facilitate

your power of concentration.

Await eagerly the date you have fixed for action, based on the guidelines for choosing dates.

Focus

your mind on the programme and do not hesitate. Head straight to your topic and do the job well.

As you begin to follow these suggestions, do not expect to find any dramatic change in your luck

instantly. Change is a slow process which requires patience and determined effort. With confidence,

you are sure to succeed and become more effective.

With the best wishes
